

EXAMS

They're here.

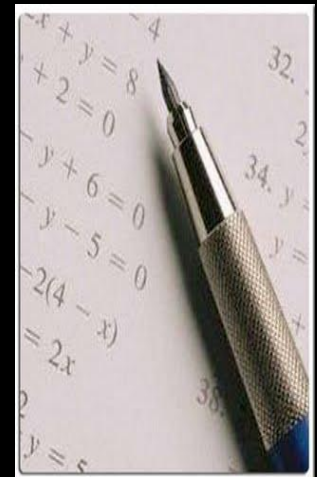

Still need some help?

The Center for Students with Disabilities Presents:

- Qualified student tutors from your class and professional staff will **co-teach** to help you learn how to **study 'smart'**.
 - Tutors will help you understand your material.
 - Professional staff will teach you strategies to prepare for those tough exams and midterms.

Now Accepting Requests for Undergraduate Courses:

CHEM, PHYS, ECON, MATH, STAT, BIOL, other courses if requested by 2 or more students

- \$300 for 5 sessions: 1-hour sessions, 2- 3 students per group. First session is 1.5 hours long. Will meet once a week, Mon-Thurs, between 4pm and 6pm at CSD. Open to any and all University of Connecticut Undergraduate Students.
- Space is limited and expected to fill quickly. If interested email James Vallieres at james.vallieres@uconn.edu and fill out the attached application form.
