**To Honors Advisor:** After it has been uploaded to the Quest portal, please review and approve this student's Honors plan of study on behalf of your department. By approving this plan of study, you are indicating that with completion of the Honors credits and the Engagement in the Major Field plan listed on this form, this student will have fulfilled all Honors credit and engagement requirements for your major. In addition to overseeing this student's completion of the "Engagement in the Major Field", you also agreeing to oversee the Honors thesis/project requirements.  
(The Honors Program will audit this student's record for compliance with all University-wide Honors requirements, including the submission of an approved Honors thesis, prior to awarding Honors Scholar graduation.)

## New Honors Scholar - Engagement in the Major Field

**Student:** You and your Honors advisor should agree on a plan that will help you develop your skills related to your major *in addition to* your Honors coursework. It is your responsibility to fulfill this **Engagement in the Major Field** plan on the agreed-upon timetable. Completion of the Engagement in the Major Field is a requirement for the Honors Scholar designation.

After consulting with your Honors advisor, please complete the following information regarding how you will fulfill the Engagement in the Major requirement. Your Honors advisor will be asked to confirm your completion of this requirement prior to your graduation as an Honors Scholar.

### Description of Engagement

Provide a *brief* description of the proposed engagement experience(s):

### Rationale for Engagement

How does this engagement enrich your experience in this field or subject? Ideally this will be phrased in terms of what you expect to learn.

### Criteria for Engagement

Specify the quantity and quality of engagement required.

### Timeline for Engagement

Describe the expected timeline for the engagement experience(s). Clearly specify any mandatory deadlines.

### Communication Plan

Describe how you and your advisor will communicate regarding your progress toward and completion of your Engagement in the Major Field requirement.

**Honors Advisor:** You will be asked for approval of this plan for Engagement of the Major Field in the online Final Plan of Study system. Prior to this student's graduation, you will be asked to confirm the completion of this Honors Scholar requirement.

**Student:** Submit via the Honors Final Plan of study form in the UConn Quest portal:
