Searching by Content Area using the Guest Access Search in Student Admin

- Go to https://studentadmin.uconn.edu/ and click on Guest Access on the right.
- Select choice for Semester/Year.
- Change Subject to the top “Blank” field.
- Select desired campus.
- In Keyword section, select the “Course Description” button.
- In the Keyword field, type in the desired Content Area in the following format:
  \[ \text{CA(space)(CA#)(.)} \]
  - You must add the space after CA and a period after the complete entry for the search to work.
  - Ex: Content Area One: \text{CA 1.}
  - Ex. Content Area Two: \text{CA 2.}
  - Ex. Content Area Two and Four: \text{CA2. CA 4.}
  - Ex. Content Area One and Four International: \text{CA 1. CA4-INT.}
