# ACADEMIC CRITERIA

## NEW ENGLAND SCHOLARS

*The distinction of New England Scholar refers to a student who earned a 3.7 grade point average or higher based on at least 12 calculable credits each semester for both spring and fall of 2021. This year 2855 scholars are being honored. In recognition of this achievement, each recipient will receive a silver pin to mark the occasion.*

## SCHOLAR PINS

*The University expresses deep pride in the scholarly achievements of its students, and so too should the recipients. The lapel pins presented at today's ceremony are intended to provide visible recognition for Babbidge Scholars and New England Scholars. All students are encouraged to showcase their pins at special academic ceremonies throughout their undergraduate career, culminating with their Commencement regalia upon graduation.*
